Mr. or Ms. Industry Forum Attendee
Address
City, State, Zip

Dear Attendee:

You are invited to attend and participate in the American Association of Motor Vehicle Administrators (AAMVA) Motor Carrier Services Industry Forum.

The purpose of the AAMVA MCS Industry Forum is to bring together the very diverse group of the motor carrier industry community stakeholders, associations and federal government representatives to discuss motor carrier services issues. The setting of the meeting will be informal so that we can encourage an open dialogue on the many issues facing the MCS community today. From the discussions, we will determine what role AAMVA can serve to help facilitate resolutions on some of these issues. It is AAMVA's goal to work in partnership with groups such as yours that have the common goal of improving safety on our highways and enhancing services to the industry such to make compliance with the many MCS related programs more efficient and effective.

When: **Wednesday February 16, 2005**
8:30 am – 4:30 pm

Where: **AAMVA Headquarters**
4301 Wilson Boulevard
Arlington, VA
NRECA Conference Center, First Floor - Room CC2

This Forum we hope will become an annual event to come together to share ideas and discuss issues that the motor carrier industry faces daily. I hope you will be able to join us for what I feel will be a very rewarding and productive forum.

Enclosed with this invitation you will find a registration form. There is no registration fee associated with this event but in order to determine numbers for refreshments including lunch, we would like to have the number of attendees in advance.

Please complete and return the registration form by **Friday February 4, 2005**. If you are not able to attend but wish to send a representative, please do so. If you have any questions please contact Tim Adams, MCS Program Director at (502) 845-0398 or via email at tadams@aamva.org.

Sincerely,

A handwritten signature in cursive script that reads "Linda Lewis-Pickett".
